ForeDanube

Foresight for Danube Region's future-oriented Competitive Planning

Foresight has become an increasingly needed element of strategic planning and competitiveness in many fields. The project partners plan to establish research and education in foresight activities in the Danube region.

124.880,00 €

Project budget

99.904,00 €

Interreg funds

9/2024-9/2025

Project duration

This project is supported by the Interreg Danube Region Programme co-funded by the European Union.
